

Chalkhill Estate Consultation with Young People 2020

What?

1. To identify the challenges, needs and aspirations of young people living on the Chalkhill estate
2. To determine how safe young people feel on the estate and ideas on how to improve young people's safety.
3. To determine whether young people would wish to participate on an 'Estate-focus' Steering Group.

How?

The data sourced in this report has been collected and prepared using the following software applications:

- Zoom (Interviews)
