## TETH LEARNING & DEVELOPMENT PROGRAMMES

### Training Workshop

This program helps youths and vulnerable adults, particularly those who attend high-poverty and low-performing schools, meet state and local student standards in core academic subjects; we also include: Leadership and Conflict Management, Communication Skills, Diversity and Inclusion, Healthy Relationships, Business Finance and Marketing, Money Management, Youth Mental Health First Aid, Mentoring and Personal Development sessions. We also aim to offer members of the programme a broad array of complementary activities that can enrich their regular academic programs. Additionally, offering literacy and other educational services to the families of participating children. This program will create a community learning centre at the heart of the Stonebridge community to provide academic enrichment opportunities during non-school hours for children and the surrounding community.

### Special On-going Events

- NCS Residential
- End of Year Celebration
- Trips (go Karting, Paint balling, Gliding etc...)
- Netball Community Tournaments

### TETH Netball Club

We aim to organise training and then teams and group matches to help girls & Boys to exercise and socialise. They will develop discipline, teamwork, consideration and keep their body healthy and fit. They will learn the art of netball, the equipment and what type of food they should be eating to keep them healthy and strong.

### Monthly Mentoring Assignments

Quick exercise to identify 'Plus, Minus & Interesting' aspects of the learning & development programme:

What can go wrong, what can go right, how can all help to make it go as right as possible? Any changes to the Ground-rules in the new environment(s), including Health & Safety rules, will be updated at this session.

We will also work on any issues members are facing in their community.
