

STREETFUSION COMMUNITY GROUP **CREATIVE ART PROGRAMMES**

Streetfusion Community Group is a creative arts organisation operating in the London borough of Brent. Using Qualified Arts Practitioners, we deliver enterprising arts initiatives designed for young people between the ages of 14-25 years old, especially the 'hard to reach' or those facing social issues.

Our Practitioners are qualified with the **Arts Council of England & Wales** and our mission is to increase *access to the arts* in our community, by providing creative outlets for young people where they can express themselves through artforms they enjoy and admire, whilst increasing skill & creativity, which can lead to an Accredited Qualification* in the following:

- **Radio Broadcast and Sports Journalism**
- **Stage and Event Management**
- **Film, Photography and Podcasting**
